FOOD GRADE · FOOD GRADE AEROSOLS

Food Safe Lube.

A high quality H1 lubricant spray formulated using only FDA listed ingredients - the general-purpose can for food production areas, for the everyday lubrication jobs that come up between planned maintenance.

APPLICATION

- General purpose lubrication in food areas
- Hinges, slides, guides and light bearings
- Everyday maintenance between services

NOT RECOMMENDED

- × **Applications requiring an H2 or 3H registered product**
- × **Direct food contact - H1 covers incidental contact only**

BENEFITS

- NSF H1 registered for use where incidental food contact may occur
- Supports HACCP compliance and audit requirements without a performance penalty
- Odourless and tasteless, protecting product quality if contact occurs
- Matches the performance of a conventional mineral equivalent

PERFORMANCE PROFILE

Suitable for use where the following specifications are required:

Category	H1 NSF Registered
FDA	listed ingredients

PACK SIZES

500 ml aerosol; 12 x 500 ml case; Other pack sizes and bulk deliveries up to 25,000 litres available on request

HEALTH & SAFETY

Refer to SDS for proper handling and disposal. Please note that the SDS includes handling, health and disposal information which should be passed on to your employees, and to anyone else who comes in contact with our product. Additional advice can also be obtained from your local representative.

Note: Read and understand all precautions on container labels before using this product.
